Hands-On Biodiesel Brewing Class - \$39

Saturday June 14, 2008 12:30pm, at Spring Creek Farm, Palmer

Join us for a hands-on workshop where participants will make their own biodiesel to take home.

All safety equipment, lab supplies and ingredients are supplied.

call 907-688-5288 for more information.

Course Description: Please join Arctic Vegwerks for an afternoon hands-on biodiesel brewing class and make your own fuel! Participants will learn how to collect oil, test it, and create a small batch of biodiesel to take home. Registration is required, and the course fee includes all safety equipment, lab supplies and ingredients for a test batch. Hands-On Biodiesel Brewing is the second in a series of biodiesel and vegoil events and classes this summer. New students are welcome. See the events page at www.AlaskaBiodiesel.org for more information.
